

Session Program

16-20 Aug 2021

Variety in Chemistry Education and Physics Higher Education Conference ViCEPHEC21 (16-20 August 2021)

Plenary Session 3

University of Glasgow (virtual)

Thursday 19 August

09:30

Plenary Session 3

Session | **Location:** University of Glasgow (virtual) | **Convener:** Dr Smita Odedra

09:30–09:40 **Welcome**

Speaker

Prof. Justin Hargreaves

09:40–10:10 **Keynote: Chemistry for All: Global, Diverse, and Fit for Purpose**

Speaker

Dr Katherine J. Haxton

10:10–10:40

RSC Higher Education Teaching Award 2020 Lecture: Green chemistry education for a sustainable future

Speaker

Dr Glenn Hurst

10:40–11:00 **Break**

11:00–11:15

Contributed talk: Integration of the Chemistry³ textbook with the first year curriculum

Speaker

Amber Eggleton

11:15–11:30

Contributed talk: Mini-projects: CURE-like lab projects to increase student learning

Speaker

Philip Craven

11:30–11:45

Contributed talk: Face-to-Face Lab Teaching in an Age of Pandemic: Tragedy, Triumph and the Student Voice

Speaker

Tom Anderson

11:45–12:00

Contributed talk: Developing a systems thinking-based curriculum for catalysis education

Speaker

Manoj Ravi

12:00
