

Session Program

16-20 Aug 2021

Variety in Chemistry Education and Physics Higher Education Conference ViCEPHEC21 (16-20 August 2021)

Plenary Session 4

University of Glasgow (virtual)

Friday 20 August

10:00

Plenary Session 4

Session | **Location:** University of Glasgow (virtual) | **Convener:** Dr Nicolas Labrosse

10:00-10:10 **Welcome**

Speaker

Prof. Stephany Biello

10:10-10:40 **Keynote: Digital practice: Blending ideas for a winning formula**

Speaker

Dr Vicki Dale

10:40-11:00 **Break**

11:00-11:15 **Contributed talk: RSC Women in Chemistry: Making the Difference**

Speaker

Saskia O'Sullivan

11:15-11:30

Contributed talk: The relationship between a sense of belonging and well-being in male and female undergraduate physics students

Speaker

Ewan Bottomley

11:30-11:45 **Contributed talk: Every Chemist a Programmer**

Speaker

Kevin Cowtan

11:45-12:00

Contributed talk: Measuring Student Awareness of Equality, Diversity and Inclusion in the Chemical Sciences

Speaker

Dylan Williams

12:00
