

Session Program

27-28 May 2021

2nd Forward Physics Facility Meeting
Neutrino Fluxes from Charm at the FPF

Friday 28 May

18:30

Neutrino Fluxes from Charm at the FPF

Session

18:30–18:45 **Neutrino fluxes at the FPF: the case of tau neutrinos**

Speaker

Maria Vittoria Garzelli

18:50–19:05 **Small-x prediction for forward charm production**

Speaker

Anna Stasto

19:10–19:30 **Further Thoughts and Discussion**

Speaker

Rikard Enberg

19:30
