

15th Geant4 Collaboration Meeting

Tuesday 5 October 2010

Plenary Session V : Hadron and ion physics validation and development (11:10 - 12:50)

-Conveners: John Apostolakis

time	[id] title	presenter
11:10	[107] Overview of validation at "low" energies (below 4 GeV)	IVANTCHENKO, Anton Prof. IVANTCHENKO, Vladimir
11:22	[108] Overview of validation at transition and high energies (above 5 GeV)	Dr YARBA, Julia BANERJEE, Sunanda
11:34	[111] Overview of ion-ion validation	Dr KOI, Tatsumi UZHINSKIY, Vladimir
11:46	[109] Validation infrastructure: improvements and status	YARBA, Julia
11:54	[110] Discussion on validation	
12:09	[113] Recent data/MC comparisons	BANERJEE, Sunanda
12:19	[112] Recent improvements of Bertini model	WRIGHT, Dennis Herbert KELSEY, Michael
12:34	[114] The pre-compound and evaporation models: status and recent improvements	QUESADA MOLINA, Jose Manuel
