

# **Seventh Machine Learning in High Energy Physics Summer School 2021**

## **Thursday 22 July 2021**

**Section 4. Generative models and networks: Seminar: Practice on basic generative models (15:00 - 16:00)**

**-Conveners: Nikita Kazeev**

# Friday 23 July 2021

## **Section 4. Generative models and networks: Distances seminar Pt. 1 (13:00 - 14:00)**

-Conveners: Nikita Kazeev

## **Section 4. Generative models and networks: Distances seminar Pt. 2 (14:00 - 15:00)**

-Conveners: Nikita Kazeev

## **Section 4. Generative models and networks: Practice on AE (15:00 - 16:00)**

-Conveners: Nikita Kazeev

# Monday 26 July 2021

**Section 4. Generative models and networks: GANs (14:00 - 15:00)**

**Section 4. Generative models and networks: Advanced GANs (15:00 - 16:00)**

**Section 4. Generative models and networks: Seminar Flow models (16:30 - 18:00)**

**-Conveners: Denis Derkach**
