

# **Seventh Machine Learning in High Energy Physics Summer School 2021**

## **Tuesday, 27 July 2021**

**Section 5. Advanced Optimization Methods: Introduction to black-box optimization (14:00 - 15:00)**

**Section 5. Advanced Optimization Methods: Variational Optimization (15:00 - 16:00)**

# Wednesday, 28 July 2021

**Section 5. Advanced Optimization Methods: Bayesian Optimization (13:00 - 14:00)**

**Section 5. Advanced Optimization Methods: BO-GP and friends (17:30 - 18:30)**
