

Session Program

August 23, 2021 to October 7, 2021

10th International Conference on New Frontiers in Physics (ICNFP 2021)

Physics Education and Outreach

Venue: OAC conference center, Kolymbari, Crete, Greece. Participation is possible also via internet.

Wed, August 25

5:00 PM

Physics Education and Outreach

Session | Location: Room 3 | Convener: Marina Kozhevnikova

17:00 - 17:25

Raising impact of particle Physics outreach events through gamification

Speaker

Mr Andrea Di Luca

17:25 - 17:50

μNet Status Report

Speaker

Mr Michael Petropoulos

18:30 - 18:55

Diversity and Inclusion in CMS

Speaker

Clemencia Mora Herrera

6:55 PM

Tue, August 31

5:00 PM

7:00 PM

Physics Education and Outreach

Session | Location: Room 6 (Outreach)

17:00 - 19:00 **Virtual visit to LHC experiments in english language**

Speaker

Despina Hatzifotiadou

Wed, September 1

5:00 PM

7:00 PM

Physics Education and Outreach

Session | Location: Room 6 (Outreach)

17:00 - 17:30

Public talk in Spanish and Virtual tour LHC experiments in Spanish Language

Speakers

Arturo Fernandez Tellez, Despina Hatzifotiadou, Hector David Regules Medel, Tonatiuh Garcia Chavez

Thu, September 2

11:00 AM

Physics Education and Outreach

Session | Location: Room 6 (Outreach)

11:00 - 13:00 **CERN Masterclass in greek language**

Speaker

Despina Hatzifotiadou

1:30 PM

Fri, September 3

5:30 PM

7:30 PM

Physics Education and Outreach

Session | Location: Room 6 (Outreach)

17:30 - 19:30 **Public talk and Virtual visit to LHC experiments in greek language**

Speaker

Despina Hatzifotiadou
