

# The 2021 School on the Physics of Baryons (Baryons-21\_School)

## Friday, 22 October 2021

### Theory for Strong QCD - Virtual (13:00 - 14:45)

time	[id] title	presenter
13:00	[14] Emergence of dynamical energy scales in QCD from Schwinger-functional methods	BINOSI, Daniele

### Theory for Strong QCD - Virtual (15:15 - 17:00)

time	[id] title	presenter
15:15	[15] Overview of lattice results for hadron spectroscopy and structure	LIN, Huey-Wen
