

# Multi-Boson Interactions 2021

## Tuesday, August 24, 2021

### Diboson precision measurements (2:30 PM - 4:00 PM)

-Conveners: Saptaparna Bhattacharya; Pietro Govoni

| time   | [id] | title   | presenter                   |
|--------|------|---|-----------------------------|
| 2:30 P | [13] | Measurements of gauge boson polarization in diboson production          | ERICE CID, Carlos Francisco |
| 3:15 P | [14] | Precision measurements of diboson differential and total cross sections | LEVIN, Andrew Michael       |
