Covid Updates

- Present teleworking regime is maintained until 14th May.
- Please keep updated on the [HSE web site](#), and read the Thursday Covid Update Emails.
- Masks (normal and FFP2) and hand-sanitiser collection from Richard, Alessia or Yannis in the mornings (9:00-11:00).
- Please wear the Proximeter at CERN.
- Regularly ventilate your office when you are on-site, especially if a second person enters your office.
- Remember, meetings in person are in general not allowed (unless critical).
- If consuming food/beverages with someone else, please use the cafeteria (where there is space and ventilation) or outside. Please do not consume food/beverages with another person in your office!
- Please be safe inside and outside of CERN (following the recommendations where you are).
- When completing your EDH teleworking, do not forget to write “Exceptional measures”.

Covid Updates

- For vaccination info, please check the web-sites <https://hse.cern/content/covid-19-vaccination> and <https://www.ge.ch/se-faire-vacciner-contre-covid-19> .
- For people who are members of the CERN Health Insurance, resident in France but without a Carte de Legitimation, you can ask *if* you can be vaccinated in Geneva via the contact details at <https://www.ge.ch/se-faire-vacciner-contre-covid-19/publics-cibles-prioritaires-geneve>
