Measurements of $t\bar{t}H$ production with CMS

Thursday, 21 October 2021 16:00 (10 minutes)

We present recent measurements of $t\bar{t}H$ production with the full run 2 dataset, including measurements of CP properties of the Higgs boson.

Primary author: CMS

Presenter: SANCHEZ CRUZ, Sergio (Universitaet Zuerich (CH))

Session Classification: Parallel: Yukawa

Track Classification: Yukawa interactions
