# Measurement of the Higgs cross sections in the $H \rightarrow ZZ \rightarrow 4l$ channel at CMS

*Thursday, 21 October 2021 15:20 (10 minutes)*

The talk will present the Run2 legacy measurement on Higgs cross-sections (STXS, fiducial, and differential) in the  $H \rightarrow ZZ \rightarrow 4l$  performed by the CMS collaboration.

**Primary author:** CMS

**Presenter:** ELMETENAWEE, Walaa (Universita e INFN, Bari (IT))

**Session Classification:** Parallel: Precision and Properties

**Track Classification:** Higgs-boson precision physics
