

**Session Program**

**23 April 2021**

**LPMR - High Energy Physics**

***Medical Physics***

# Friday 23 April

15:15

16:15

**Medical Physics**  
Session

15:15-15:25

**Medical Physics: physical study of small field in radiotherapy**

**Speaker**  
Abdelkader El Hamli

15:25-15:35

**Monte Carlo simulation of isotope production by cyclotron for medical purposes**

**Speaker**  
Camelea Miry
