

27th Young Scientists' Conference on Astronomy and Space Physics

April 26-30, 2021
Kyiv, Ukraine

Guidelines for this Virtual Meeting

1. We made a 5 minutes window between presentations to account for all kinds of technical problems
2. Always mute yourself when not speaking
3. Enabling video is encouraged (depending on bandwidth)
4. Presenters
 - a. Post your slides/posters on Indico in advance
 - b. Keep to your allotted time
 - c. Timer App: 2-minute warning, time for questions
5. Questions/Comments
 - a. Use the zoom raise hand feature and wait for Session Chair to call on you
 - b. Use zoom chat, or follow-up with Slack

Recording Zoom Sessions

All sessions will be recorded, and posted to Indico next day

If you prefer your presentation not be posted, please email ysc.kyiv@gmail.com

The aim of the annual Open Young Scientists' Conference on Astronomy and Space Physics is to provide young scientists with a possibility to communicate and present their scientific work. Young scientist is a bachelor / master / PhD student, young researcher...

Fields:

- Atmospheric studies and space geophysics
- Solar physics and heliosphere
- Solar System & extrasolar planets
- Stellar astrophysics and interstellar medium
- Extragalactic astrophysics and cosmology
- High energy astrophysics

Working language: English

During the Conference each young participant should present a short report (12 minutes) or a poster (with a poster presentation of about 5 minutes). Besides students' reports invited lectures are planned.

Starts 26 Apr 2021, 17:30
Ends 30 Apr 2021, 14:15
Europe/Kiev
