

Session Program

20-21 May 2021

1st Muon Community Meeting

MPC

Zoom

Friday 21 May

09:00

MPC

Session | Location: Zoom

09:00–09:20 **Target complex: design and challenges**

Speaker

Dr Marco Calviani

09:20–09:40 **Radiation protection constraints for the muon collider target area**

Speaker

Claudia Christina Ahdida

09:40–10:00 **Slow extraction tests of components**

Speaker

Oliver Aberle

10:00–10:20 **HiRadMat potential and future perspectives**

Speaker

Nikolaos Charitonidis

10:50–11:10 **Frictional cooling**

11:10–11:45 **Prioritisation, discussion**

11:45
