

# **CMS Open Data Workshop 2021**

**Monday, 19 July 2021 - Thursday, 22 July 2021**

**CERN (virtual)**

## **Scientific Programme**

## **General Guidance**

General orientation and information

## **Datasets and access**

General instructions for accessing open data datasets

## **Basic Physics Objects**

Basic instructions on how to access physics objects

## **Advanced Physics Objects**

Physics objects id, advanced techniques and methods

## **Analysis Flow**

Put all things together in an analysis

## **Cloud computing**

Directions on how to perform analysis using cloud resources
