Tutorial 6. Everything you always wanted to know about OA en OAI but were afraid to ask

Wednesday, 22 June 2011 09:00 (2h 30m)

Open Access and its associated concepts (OAI, Open data, Open Educational Resources, Open Innovation, Open Science, etc) is a broad and fairly complex area of development, research and policy.

We present an Open Access Corner café at OAI7 to bring together a number of experts and 'old hands'to answer questions and present overviews on various topics (chosen by delegates as well as us) to make sure that everyone who wants to know something about a particular issue –or even many issues! - can come to this event and learn.

Presenters: Mrs SWAN, Alma; Mrs VAN WESENBEECK, Astrid (SPARC Euroope); Mrs SCHMIDT, Birgit; Mr RODRIGUES, Eloy; Mrs JOSEPH, Heather; Mr VAN BERCHUM, Marnix; Mr COCHRANE, Tom
