

**Session Program**

**Jun 8 - 11, 2021**

**The 2021 CERN-CKC Theory Workshop: BSM  
physics towards the end of the pandemic**

***Flavor Physics (Session2)***

Zoom

# Wed, June 9

3:30 PM

## Flavor Physics (Session2)

Session | Location: Zoom

15:30 - 16:10 **Muon g-2 from confined millicharge particles**

**Speaker**

Dr Fang Ye

16:10 - 16:50

**Muon g-2 in the standard model: a lattice QCD calculation of the leading hadronic contribution**

**Speaker**

Laurent Lellouch

16:50 - 17:00 **break**

17:00 - 17:40 **Model building for flavour anomalies**

**Speaker**

Marzia Bordone

5:40 PM
