

International Workshop on Cosmic-Ray Muography (Muography2021)

Thursday, 25 November 2021

Simulation tools and studies - Het Pand, Zaal August Vermeylen (09:00 - 10:20)

-Conveners: **Andrea Giammanco**

time	[id] title	presenter
09:00	[18] A muon generator for cosmic-ray muon applications	BONOMI, Germano
09:20	[6] Impact of geodesic parameters on the muon flux simulated by CORSIKA	COHU, Amélie
09:40	[3] The simulations chain of the MURAVES experiment	AL MOUSSAWI, Marwa
10:00	[45] Muography and geology - Does it matter which continent you stand on?	KUUSINIEMI, Pasi
