

DPF2021: Community Session 2 Meeting with Representatives of US DOE and US NSF

July 13, 2021

Program

- Welcome and introductions (Joel Butler, DPF Chair-Elect)
- NSF and DOE presentations by agency panelists
 - NSF:
 - Jim Shank: general status update over the past year
 - Keith Dienes: funding opportunities of relevance to DPF
 - Kathy McCloud: NSF's D&I initiatives, globally.
 - DOE
 - Glen Crawford
- Submitted questions and comments for panelists
- Questions and comments from audience to panelists

Ground rules

- We will stay in this room for the whole meeting (we will not break out into multiple rooms)
- Mute your microphone when not speaking
- Use “Raise Hand” feature in ZOOM to request to talk
 - Will call on people roughly in order that the requests are received
- You can also enter questions into chat and we will try to monitor it and respond
- Meeting is being recorded
- ZOOM Built-in captioning (only) is available

APS Code of Conduct

- <https://www.aps.org/meetings/policies/code-conduct.cfm>

- Excerpt:

“It is the policy of the American Physical Society (APS) that all participants, including attendees, vendors, APS staff, volunteers, and all other stakeholders at APS meetings will conduct themselves in a professional manner that is welcoming to all participants and free from any form of discrimination, harassment, or retaliation. Participants will treat each other with respect and consideration to create a collegial, inclusive, and professional environment at APS Meetings. Creating a supportive environment to enable scientific discourse at APS meetings is the responsibility of all participants.

Participants will avoid any inappropriate actions or statements based on individual characteristics such as age, race, ethnicity, sexual orientation, gender identity, gender expression, marital status, nationality, political affiliation, ability status, educational background, or any other characteristic protected by law. Disruptive or harassing behavior of any kind will not be tolerated.”

Report violations or submit questions by
