

XXVIII Cracow EIPHANY Conference on Recent Advances in Astroparticle
Physics

Contribution ID: 41

Type: **not specified**

TeV gamma-ray astronomy

Monday, 10 January 2022 15:00 (40 minutes)

The talk aims to introduce the status of the field, discuss key recent results and instruments, as well as future perspectives.

Primary author: HOFMANN, Werner (Max-Planck-Institut für Kernphysik)

Presenter: HOFMANN, Werner (Max-Planck-Institut für Kernphysik)

Session Classification: Gamma ray astronomy I
