

XXVIII Cracow EIPHANY Conference on Recent Advances in Astroparticle Physics

Tuesday, 11 January 2022

High energy cosmic rays II (09:00 - 10:10)

-Conveners: Christo Venter

time	[id] title	presenter
09:00	[50] Multi-Messenger Physics with the Pierre Auger Observatory	KAMPERT, Karl-Heinz
09:30	[40] KASCADE-Grande results and future prospects for the transition energy range of Cosmic Rays	HAUNGS, Andreas
09:55	[52] Origin of Spectral Hardening of Secondary Cosmic-Ray Nuclei	KAWANAKA, Norita
