

# XXVIII Cracow EIPHANY Conference on Recent Advances in Astroparticle Physics

## Thursday, 13 January 2022

### Gravitational waves (09:00 - 10:30)

-Conveners: Henryk Wilczynski

time	[id] title	presenter
09:00	[71] Gravitational waves and multi-messenger astronomy: results and prospects	PATRICELLI, Barbara
09:40	[20] On the origin of the gravitational wave sources	BULIK, Tomasz
10:05	[47] Jets and winds from gamma ray bursts	JANIUK, Agnieszka
