

General information

G. Iadarola

- **Request from BE-CSS**
 - Is there interest from our side in using **SWAN in the Technical Network**
 - Would we be interested in having **PyJAPC** in SWAN?
- **HTCondor queues**
 - Users from old e-groups (SLAP, ICE) have been redistributed
 - Old e-groups **have been discontinued** → it should be transparent for users
 - Let me know if you see anomalies
 - You can check on <https://haggis.cern.ch/>
