

Session Program

2-4 Jun 2021

Muon Collider Physics and Detector Workshop

Physics Potential

Virtual world

Wednesday 2 June

14:35

Physics Potential

Session | **Location:** Virtual world | **Conveners:** Andrea Wulzer, Donatella Lucchesi

14:35–15:05 **Physics potential overview**

Speaker

Dario Buttazzo

15:05–15:15 **Discussion**

15:15–15:45 **BSM questions for future colliders**

Speaker

Raman Sundrum

15:45–16:15 **Discussion**

16:15
