

Announcement to speakers

The SQM2022 session schedule is finalized!

The registration deadline is approaching (May 20). If you have not completed the registration, please do so at your earliest convenience.

The timetable is prepared on the indico page.

<https://indico.cern.ch/event/1037821/timetable/>

We suggest all speakers for plenary and parallel sessions to check the schedule and talk information. The proposed time for **Q&A in each talk is 5 minutes**. Please consider this when you prepare your presentation. If you need to change information on your contribution, please submit a request form via the following link.

<https://forms.gle/JXesEE2o6XCN5ucK9>

We also survey basic information on speakers, including the type of participation (online/offline). We would like to ask **all speakers (plenary/parallel/poster)** to fill out the survey form via the following link.

<https://forms.gle/zFu3HvRqPzWj4QTNA>

For plenary speakers, if you want to add an abstract to your contribution on the indico, please fill it in the form.

For poster presenters:

The Poster session will be held online only with the **zoom expo**. You can watch a short introduction video here <https://www.youtube.com/watch?v=w-DxEBt9rf4>. We are currently setting up the booth for each presenter. The detailed instructions on how to use the zoom expo and organize your booth will be announced in early June. You can start to work on your booth at that time, and the zoom expo will be open for all conference participants on June 12. During the poster session, each presenter will have a zoom room that can be accessed through your booth, other participants can join the room to hear your presentation. We suggest preparing **a short slide of up to 5 pages** for your presentation.
