

Strangeness in Quark Matter 2022 (SQM 2022)

Friday 17 June 2022

PL-Light-flavor and Strangeness (08:40 - 10:20)

-Conveners: Boris Hippolyte

time	[id] title	presenter
08:40	[278] Strangeness production from small to large systems at the LHC	BIANCHI, Livio
09:05	[279] Midrapidity cluster formation in heavy ion collisions	BRATKOVSKAYA, Elena
09:30	[280] Two and three-body interactions among kaons and nucleons tested at the LHC	LEA, Ramona
09:55	[282] Light and strangeness production and collectivity at high $\sqrt{s_{NN}}$ region	RADHAKRISHNAN, Sooraj Krishnan RADHAKRISHNAN, Sooraj Krishnan
