**CERN ECO-ACTIONS CLUB**

**(Virtual)**

# Environmental Hackathon

ECO ACTIONS

*All are welcome to participate!*

*Learn or practice your programming skills to save the planet!*

Friday, June 18 &
Saturday-Sunday June 26-27
2021

Location: ZOOM

Sign up at
https://indi.to/eco-actions-hackathon

Cost of the event is free.

## Topic: Accelerating CERN's Circular Economy
Create open source apps, platforms, objects, or communication tools that promote reusability and waste reduction and associated skills in the CERN/Geneva community.

- **Friday, June 18: Introduction & Brainstorming Session** – Participants discuss and propose projects and form teams
- **Saturday, June 26 – Sunday June 27: Hackathon Event** – Teams develop and present their project prototypes

**Winning projects will be continued by the CERN Eco-Actions Club in addition to other prizes**
