

ASFAP tools and logistics

- **Web site**
 - <https://africanphysicsstrategy.org/>
- **TWiki**
 - Organize the work of the working groups
 - Manage progress
 - <https://twiki.cern.ch/twiki/bin/view/AfricanStrategy>
 - If not CERN user, CERN light account needed
 - If you are not a CERN user, please register your email address with CERN <https://account.cern.ch/account/Externals/RegisterAccount.aspx>.
 - It should be the same email that we are using for you this African Strategy. Once you have registered for a CERN account, give it 24h for database synchronization.
- **Indico**
 - Management of meetings / conferences /workshops agenda
 - Historical records
 - Please make use of this
 - <https://indico.cern.ch/category/12714/>
 - Agenda can be cloned
 - Login to CERN Indico
- **Zoom**
 - Often connected to Indico agenda pages
 - Re-usable
 - <https://indico.cern.ch/event/1034904/>
- **Mailing lists**
 - Self-subscriptions
 - <https://twiki.cern.ch/twiki/bin/view/AfricanStrategy/AfWorkingGroupRegistration>
