

Prof. Amol Dighe is a Professor of Physics at the Tata Institute of Fundamental Research (TIFR) in Mumbai, India. His research is in the area of theoretical high energy physics and astroparticle physics, notably neutrinos. He is the physics coordinator of the proposed India-based Neutrino Observatory, INO. He is the recipient of the Shanti Swarup Bhatnagar Award, one of the highest science honors in India. He is a Fellow of Indian Academy of Sciences and Indian National Science Academy. He is currently playing a leading role in the "Mega Science Vision 2035" exercise being carried out in India at the national level.
