

Marta Losada is a Professor of Physics and the Dean of Science at New York University Abu Dhabi. Specializing in high energy particle physics, she received her undergraduate degree and an MSc in Physics from The National University of Colombia, and a PhD in Physics from Rutgers University in the United States. From 1997-1999, she was a postdoctoral fellow at CERN (The European Organization for Nuclear Research) in Switzerland.

Prior to joining NYUAD, Marta served as President of Universidad Antonio Nariño (UAN) in Colombia from 2010-2018 and was previously National Director for Research, and Director of The Basic and Applied Science Research Center, also at UAN.
