

Student Session

Student: Joan Elias Miró

Date and Time:

-Tuesday 18th August at 10.15

Subject : "Efficiency on the Photons Reconstructions"

Biography-

Brief CV:

-Field of Study: Experimental Physics

-Education:

Degree in Physics at the Universitat Autònoma de Barcelona

Next year doing a postgraduate program on High-Energy Physics, Astrophysics and Cosmology at the institut of research IFAE.

-Project:

Studies of purity and efficiency of the photon selection with early data
