

CERN openlab communications

And the CERN Webfest!

Christina Bolanou, CERN openlab junior communications officer

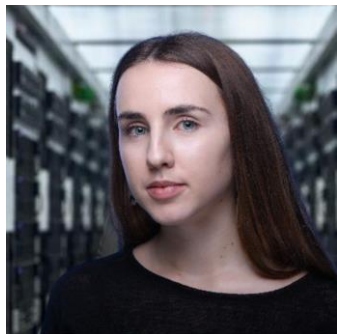

On behalf of the CERN openlab management team

Communications

Contact the communications office

Andrew Purcell
Communications officer

Christina Bolanou
Junior communications officer

We encourage you to **communicate about your work publically**.

It is important, however, that you please **contact us first!**

If you are contacted by the media, **let us know**.

We can **provide you with guidance**, facts/figures, and other info.

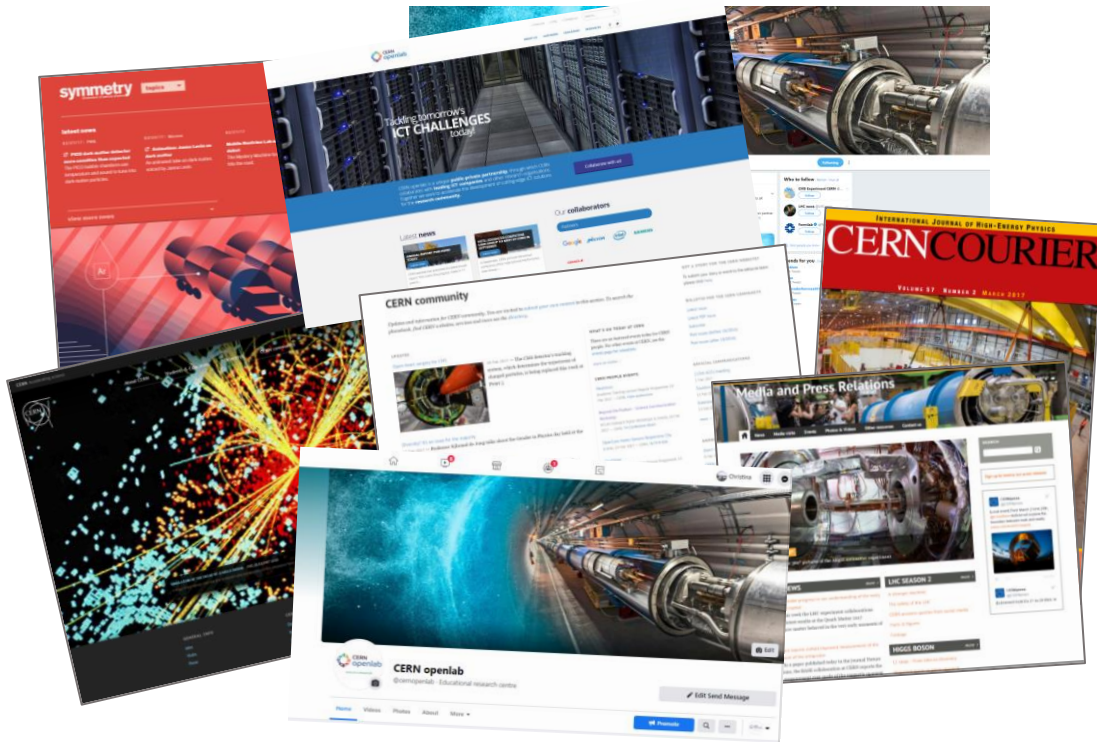

It is vital that you respect **confidentiality agreements**.

Be sure to remember **the CERN Code of Conduct**: <http://cern.ch/go/CbD8>.
