Thematic CERN School of Computing - autumn 2021

<http://indico.cern.ch/e/tCSC-autumn-2021>

Sebastian Lopienski
CERN School of Computing director

Monday, October 11

Visit to Split

Visit to Split

Opening dinner

Lecture quizzes (mandatory)

- After each lecture, go to [lecture quizzes](#) page and complete a simple test (2-3 questions)
- **The goal is to confirm what you've learned** – it's for you only
- Once you select an answer, it will be highlighted in **red** or **green**, and additional explanations may appear

How much storage space do the LHC experiments need today to operate and securely save the raw data? *

- A few hundred Terabytes**
- A few hundred Petabytes
- More than one Exabyte
- A few hundred Gigabytes

Submit

Daily sports *(optional)*

Daily sports *(optional)*

Daily sports *(optional)*

Swimming and sun bathing

Swimming

Swimming

Have proper shoes (or be extra careful!)
when you walk on the sharp rocks

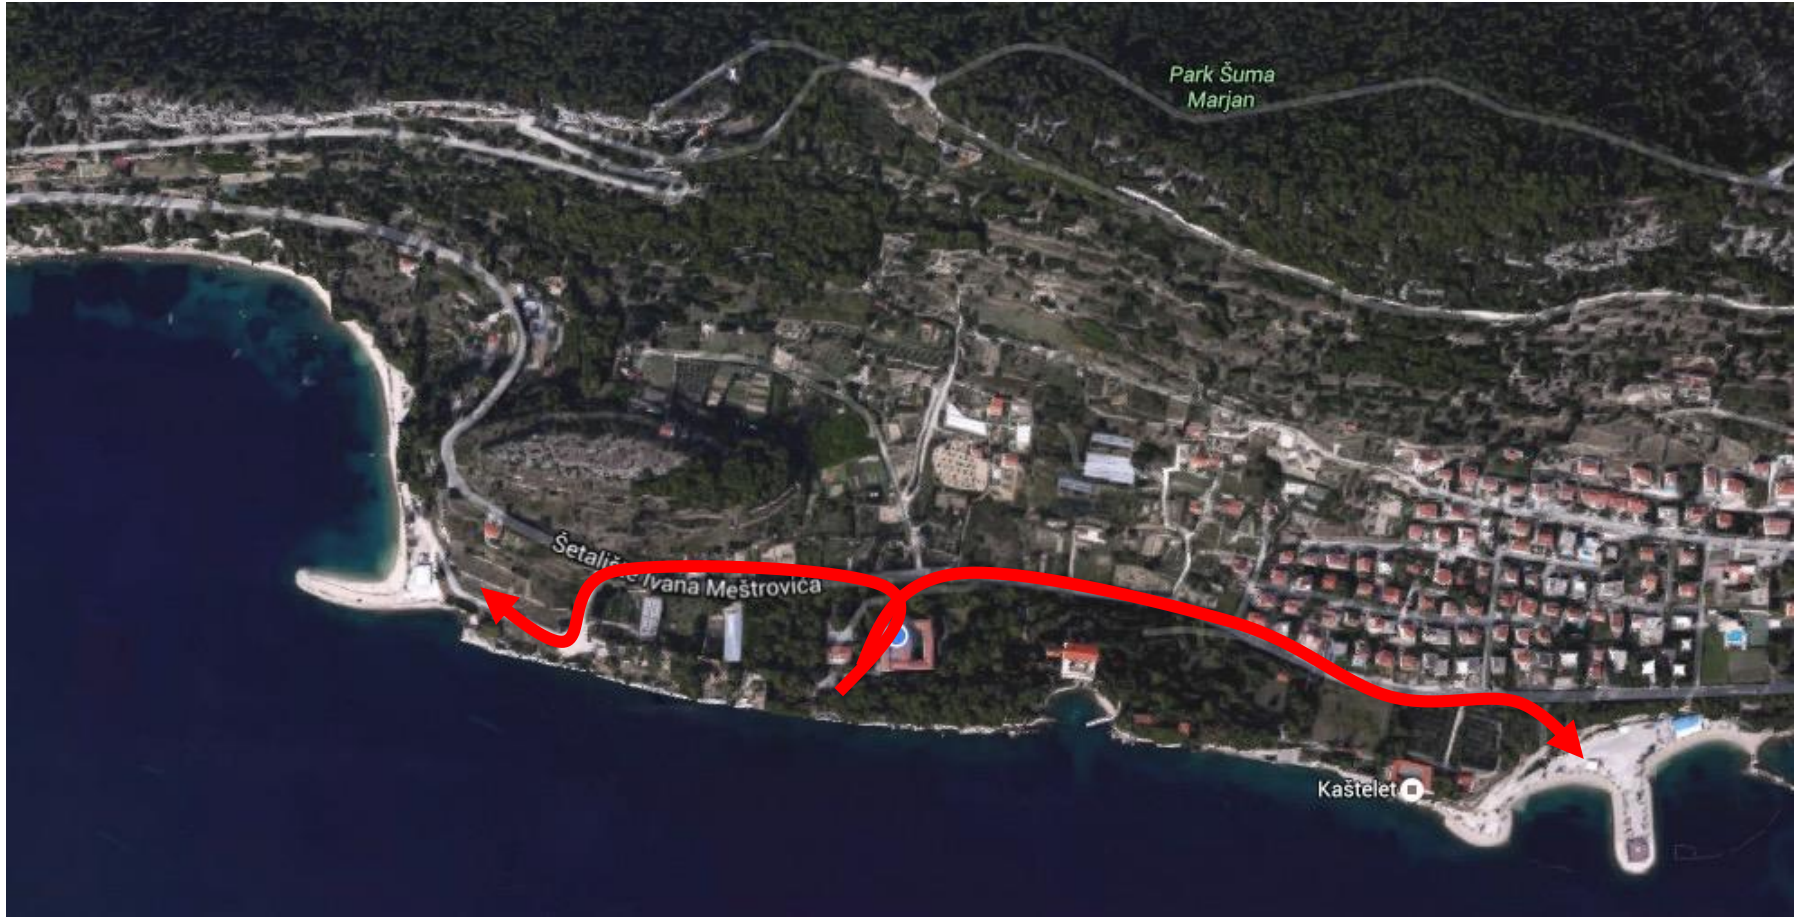

Stay safe

- **Be careful in/around water**
 - Rocks can be very slippery
 - Rocks can be very sharp and cut the skin easily
 - Water is fresh – don't overestimate your swimming capabilities
 - Don't step on sea urchins

Swimming at the beach

Farniente

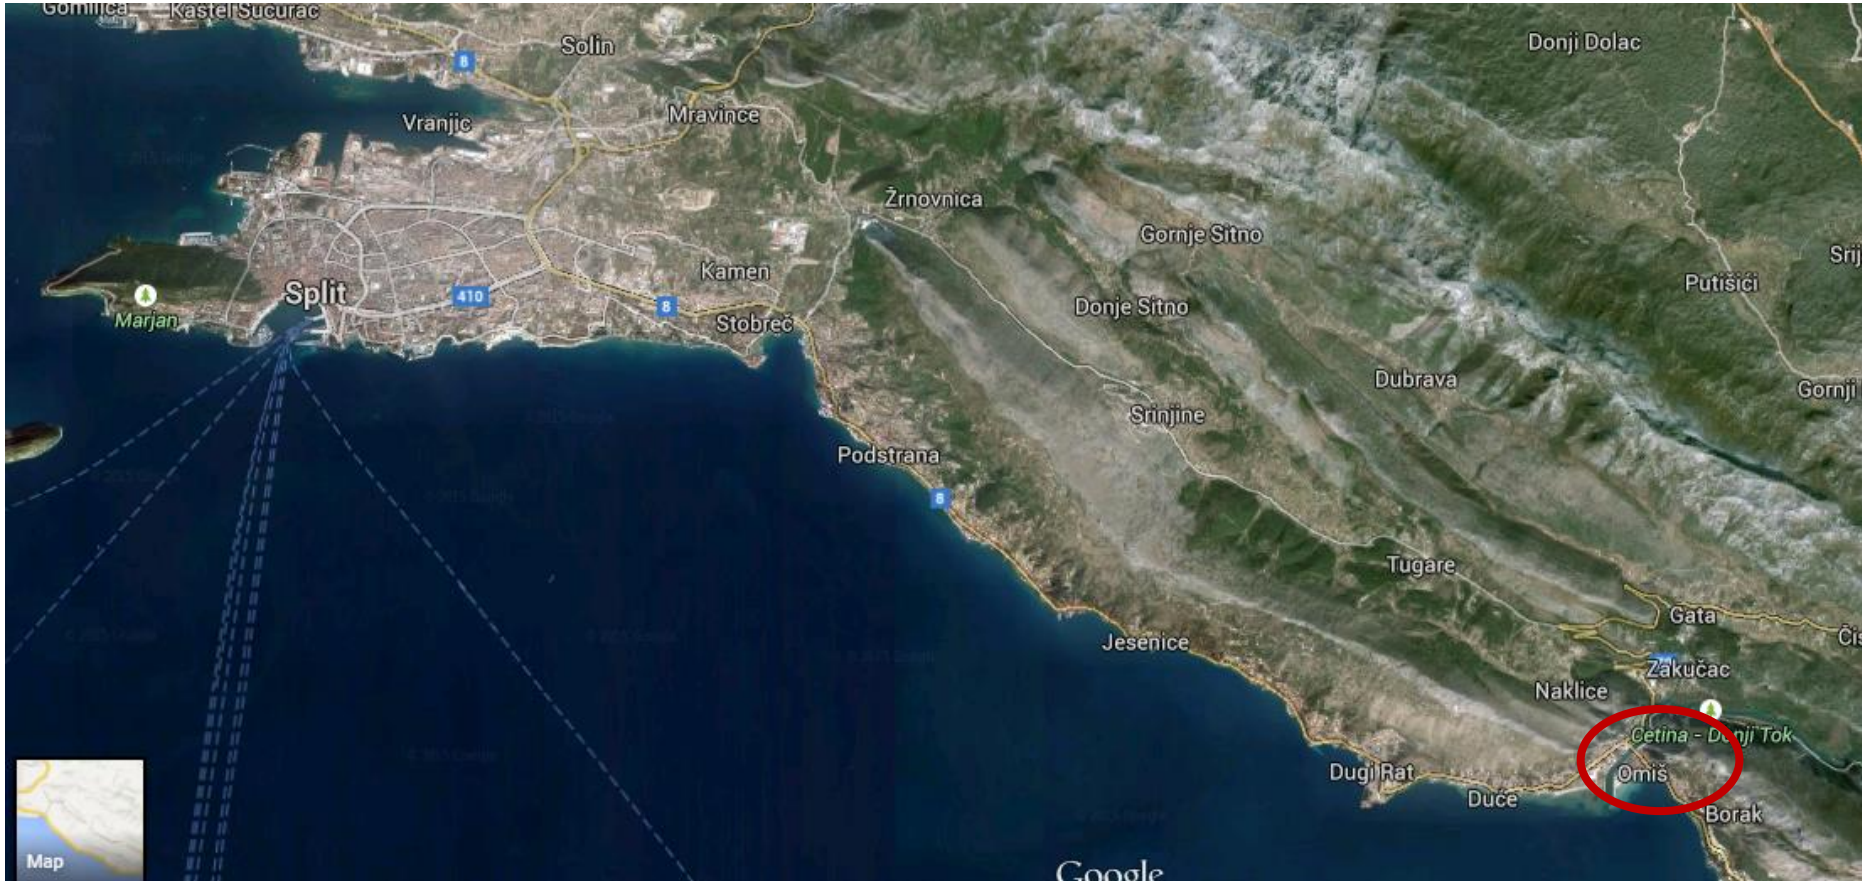

Student lightning talks (Monday at 15:30)

<https://indico.cern.ch/event/1055520/contributions/4436035/>

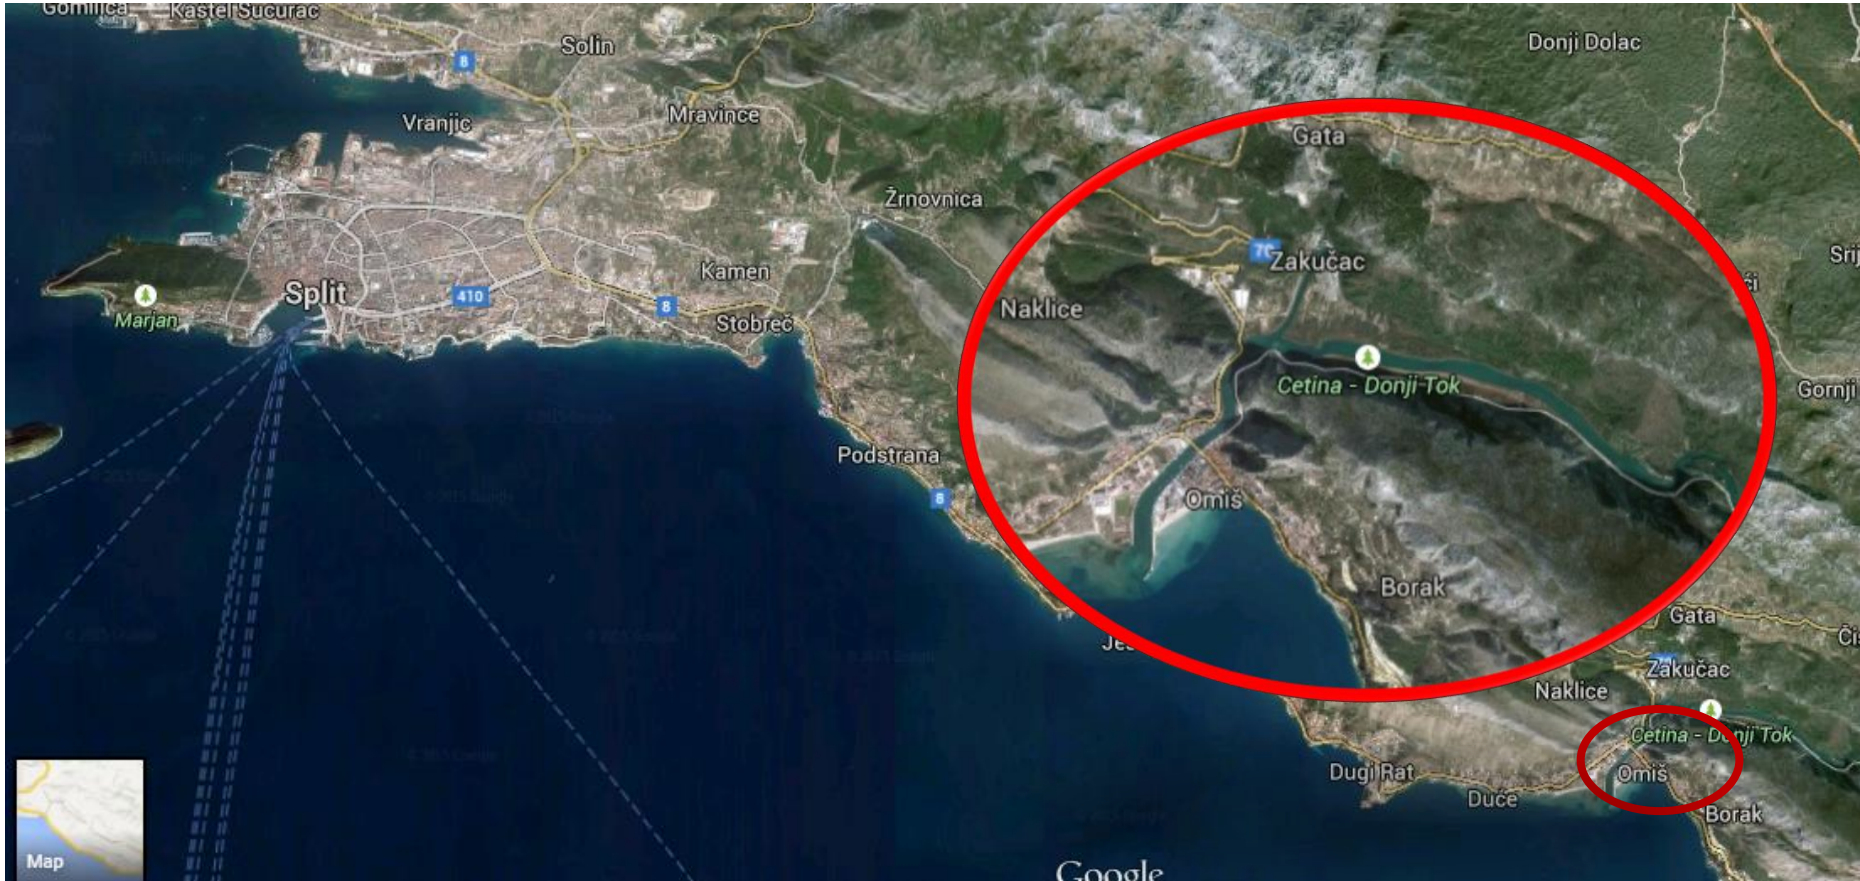

- A short talk (7 minutes) on a scientific or technical topic
- An informal opportunity for you to share your interest or passion
 - a technology, tool or service that you are using
 - your PhD research
 - experiment or project you're working on

**Wednesday sport afternoon -
rafting**

Omiš town and Cetina river

Omiš town and Cetina river

Omiš town and Cetina river

By Tatra.stipe [Public domain], from Wikimedia Commons

Wednesday sport afternoon

- 4 possibilities
 - Rafting on the Cetina river
 - Hiking in the mountains around Omis town
 - Free time in Omis town
 - Free time at MEDILS

Rafting on Cetina river

Rafting on Cetina river

Will it rain?

Can weather prevent us
from enjoying any activities??

No!

It only adds to the legend of the School

Hiking (Uxbridge, 2010)

Biking (Uxbridge 2010)

Rafting (Split, 2014)

Rafting (Split, 2014)

Clothing

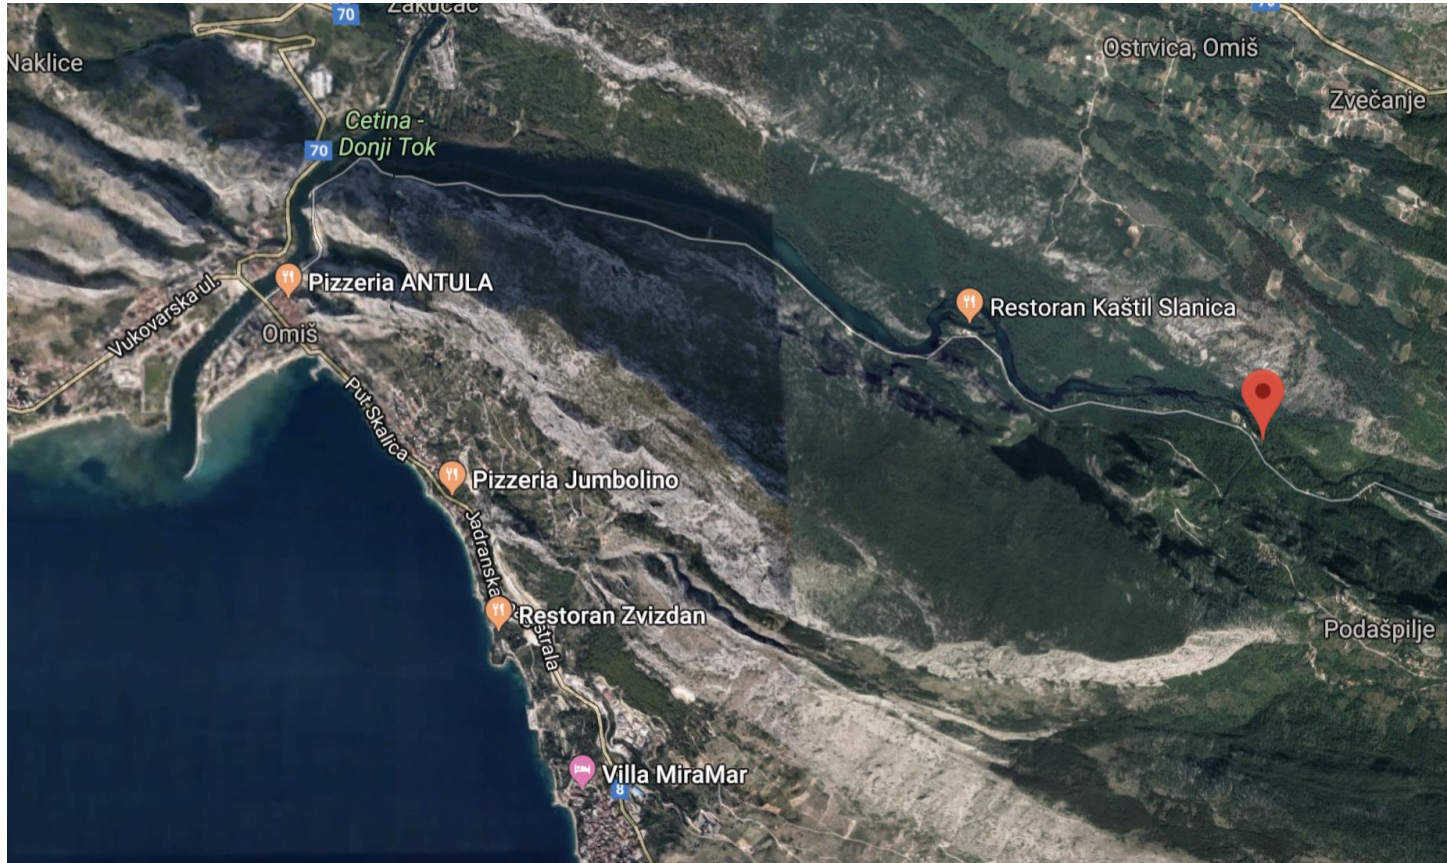

- We will be given wetsuits
- You should put warmer clothes, and a rainjacket on top
