

**Second African Conference on  
Fundamental and Applied Physics  
ACP2021**

Contribution ID: 151

Type: **Contributed Oral Presentation**

**Measurement of azimuthal angular correlations of D  
mesons with charged particles in pp collisions at  
 $\sqrt{s} = 13$  TeV with ALICE at the LHC**

*Tuesday, 8 March 2022 15:00 (12 minutes)*

**Abstract Category**

**Presenter:** NAIK, Bharati (University of the Witwatersrand, South Africa)

**Session Classification:** Parallel Session 2
