

Second African Conference on Fundamental and Applied Physics ACP2021

Contribution ID: 176

Type: Contributed Oral Presentation

Assessment of Neutron and Gamma Ray Dose Equivalent Rates in Medical Linear Accelerators Operating at Energies Above 10 MV

Tuesday, 8 March 2022 14:30 (12 minutes)

Abstract Category

Presenter: AZAIRI, Fatima (EPRA, Department of Physics, Faculty of Sciences Semlalia , Morocco)

Session Classification: Parallel Session 3
