

Second African Conference on Fundamental and Applied Physics ACP2021

Contribution ID: 221

Type: Contributed Poster Presentation

Effect of annealing time on the properties of $\text{Cu}_2\text{Fe}_{1-x}\text{Co}_x\text{SnS}_4$ (75% Co) thin film

Thursday, 10 March 2022 18:15 (5 minutes)

Abstract Category

Primary author: DRISSE, Safia (Laboratory of Materials, Energy and Environment (LMEE), Cadi Ayyad University, PB, 2390, Marrakech, Morocco)

Presenter: DRISSE, Safia (Laboratory of Materials, Energy and Environment (LMEE), Cadi Ayyad University, PB, 2390, Marrakech, Morocco)

Session Classification: Poster Session in Gather.Town
