

## **Session Program**

**7-11 Mar 2022**

# **Second African Conference on Fundamental and Applied Physics ACP2021**

## **The Scientific Program of ACP2021**

### ***Physics Plenary (1)***

Virtual Event

# Monday 7 March

12:00

## Physics Plenary (1): Accelerators, Astrophysics & Cosmology, Atomic & Molecular Physics

Session | Location: Virtual Event | Convener: Ulrich Goerlach

12:00-12:25

### Status and Impact of Particle Accelerators in Africa

**Speaker**

Joele Mira

12:30-12:55

### An Astrophysics Journey from the Kalahari to the Edge of the Universe

**Speaker**

Lerothodi Leeuw

13:00-13:25

### An Assessment of Atomic and Molecular Physics in Africa

**Speaker**

Obinna Abah

13:30
