# STFC CERN Business Incubation Centre

30<sup>th</sup> Sep 2021  
Delyth Edwards

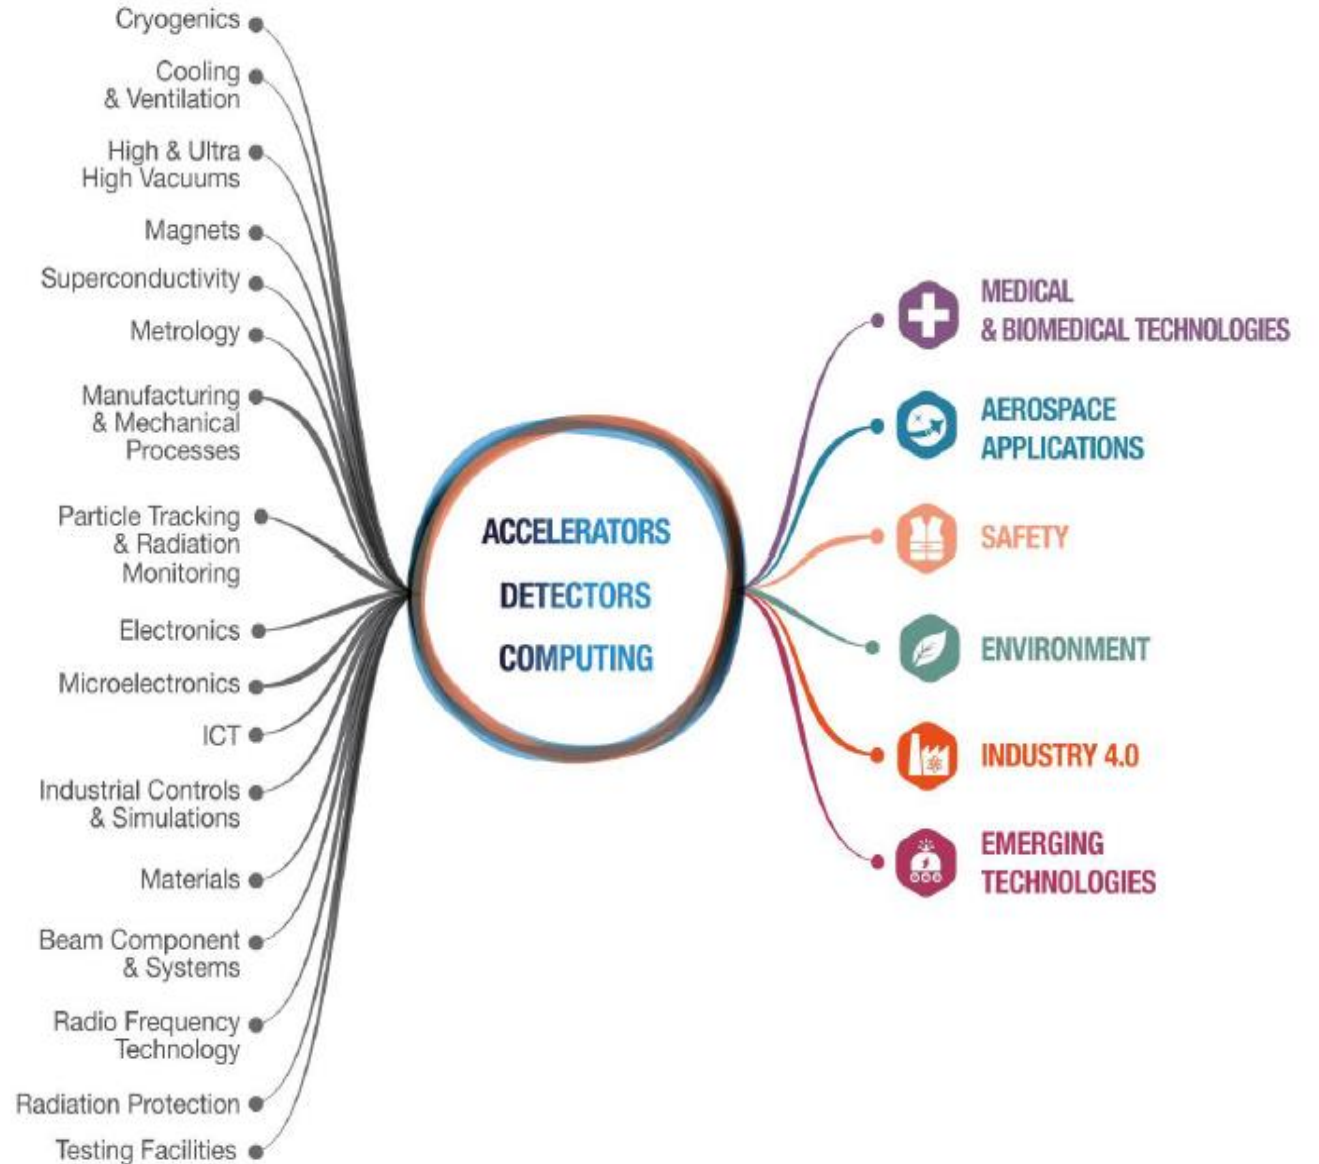

**Business incubation and support for start-ups transferring high energy physics technology into businesses for the non-accelerator markets.**

**Based on transfer of IP or know-how from CERN**

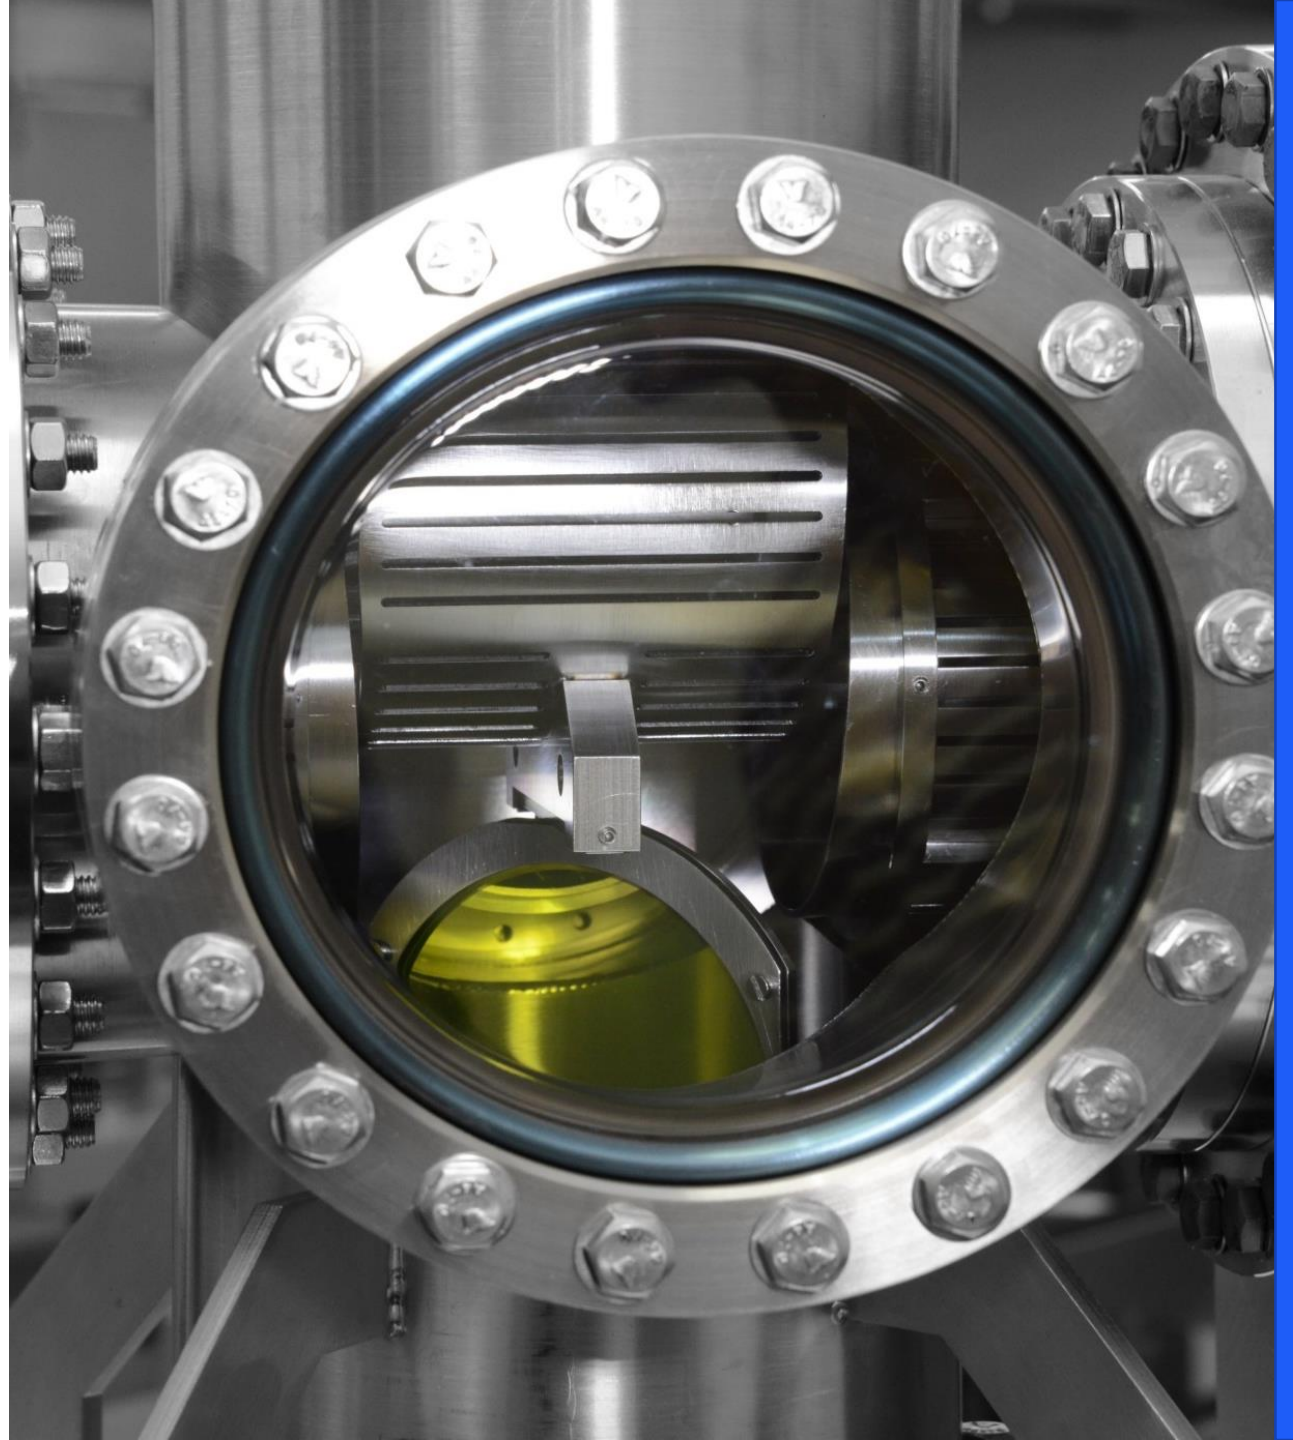

# CERN areas of expertise

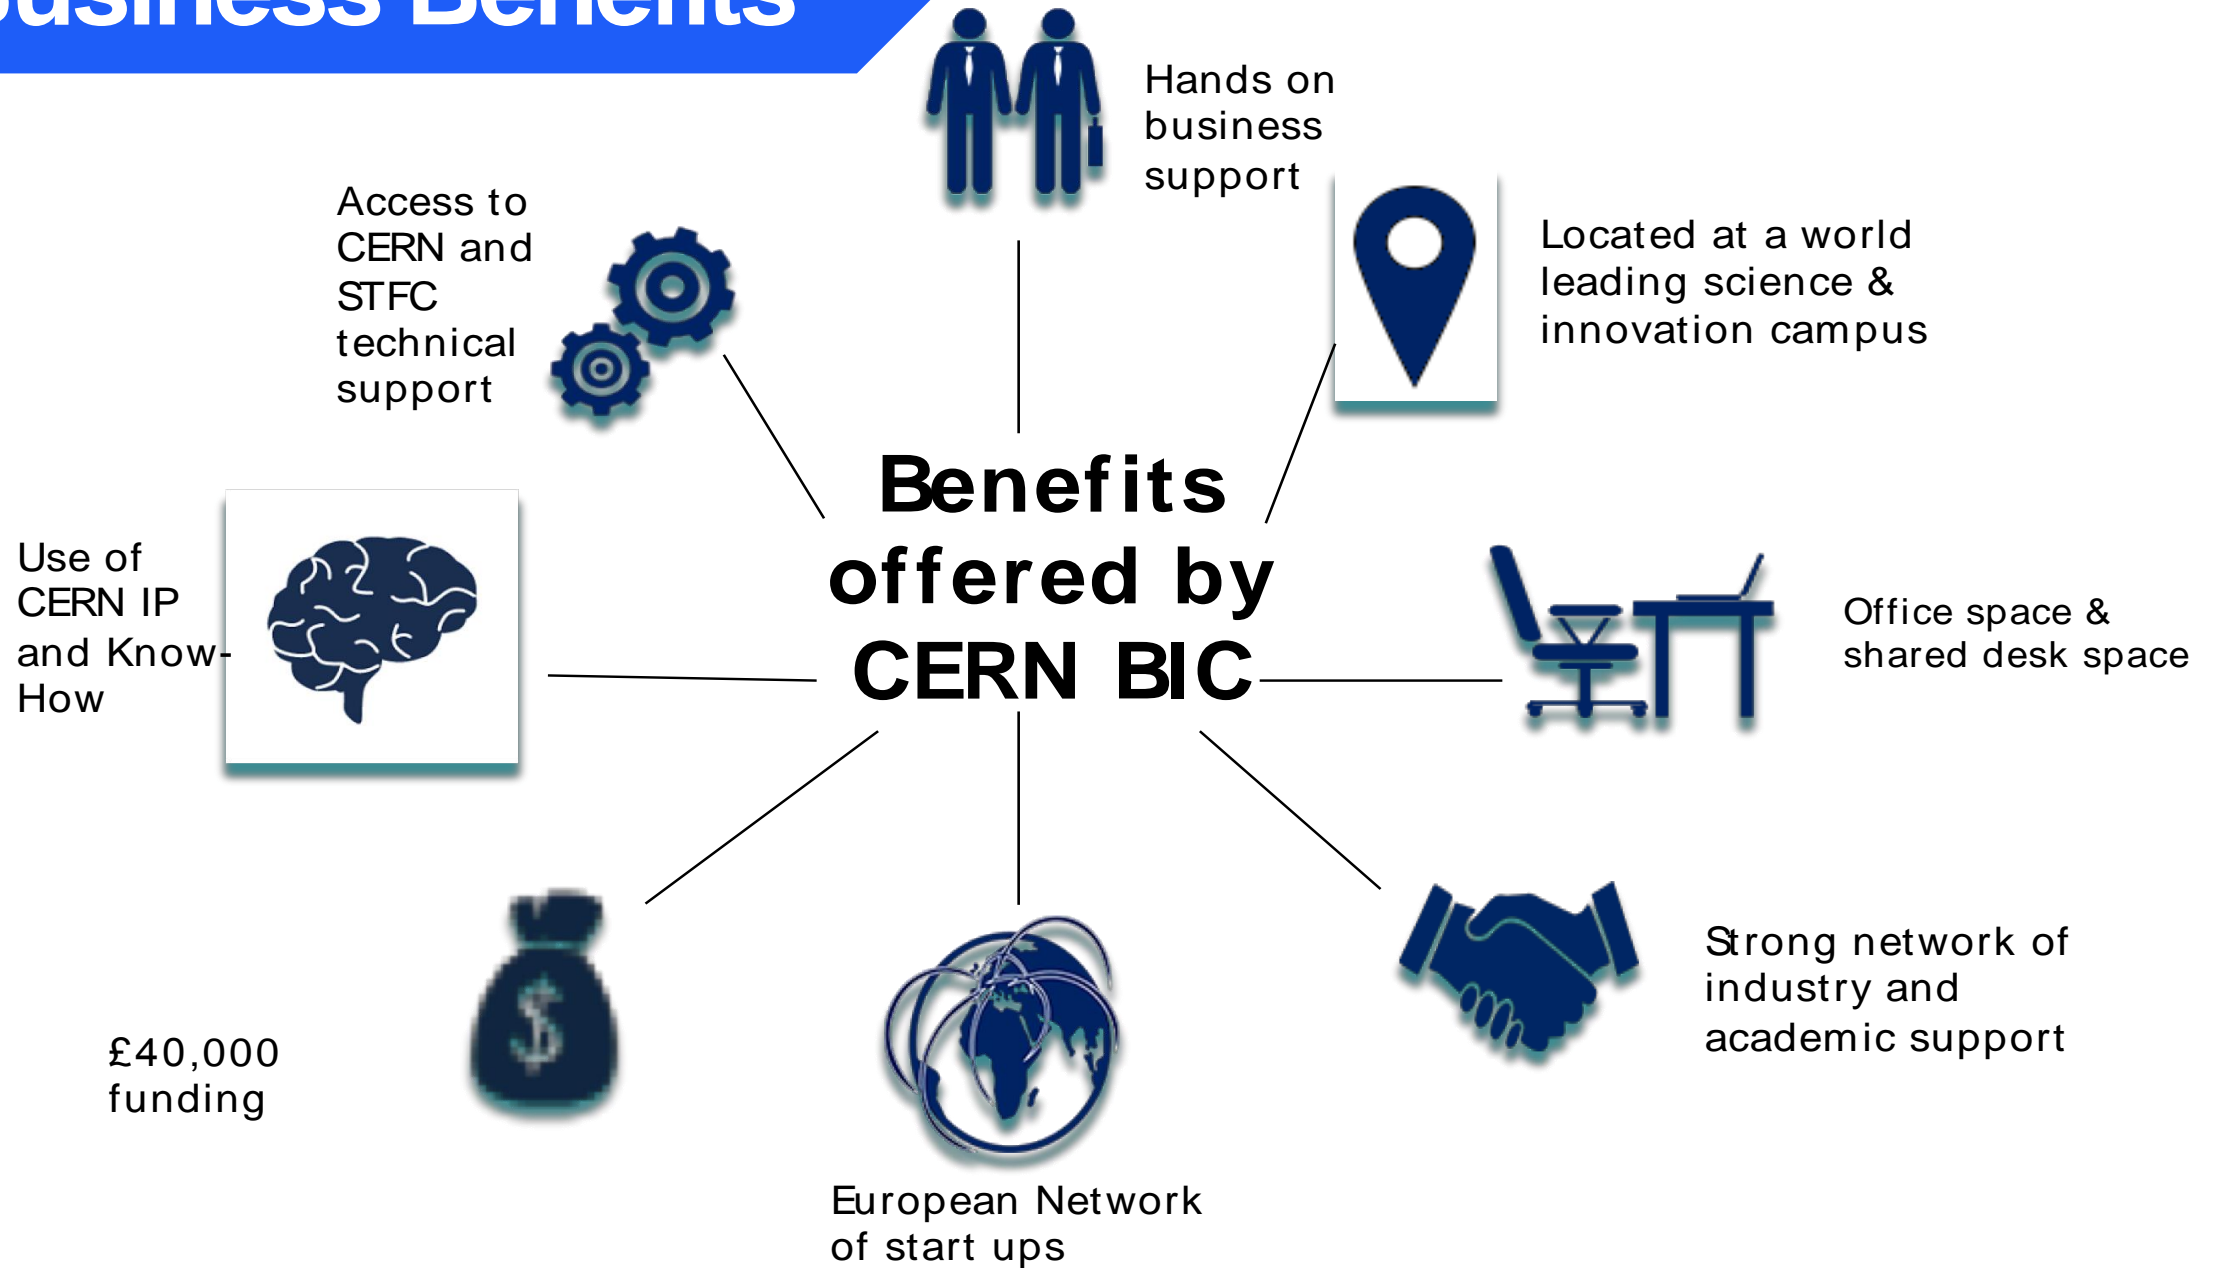

# Who is CERN BIC for?

- Companies who are less than 5 years old
- Developing technology that is in a CERN related field
- Would benefit from accessing CERN and STFC expertise
- Based at the Daresbury, Harwell or Edinburgh Campus
- Wanting to further the development of their product (TRL4-6)
