

Letters of Interest Submission

Contribution ID: 39

Type: **not specified**

THE USE OF An Am-Be NEUTRON SOURCE FOR TEACHING AND APPLIED RESEARCH

See the attached PDF file for details

Primary Category

Nuclear Physics

Secondary Category

Physics Education

Subgroup categories

NuclearPhysics—NuclearReactions

Did you / will you submit this LOI to another category?

NO

Additional Information

Relevant for Physics Education to nuclear engineering

Primary author: Prof. JONAH, Sunday. A. (Centre for Energy Research and Training, Ahmadu Bello University, Nigeria)
