

Letters of Interest Submission

Contribution ID: 63

Type: **not specified**

Computational Methods for Correlated Quantum Systems in Condensed Matter

LOI on Computational Methods for Correlated Quantum Systems in Condensed Matter

Primary Category

Condensed Matter & Materials Physics

Secondary Category

Comouting & 4IR

Subgroup categories

MaterialsPhysics—Theoretical and computational Condensed Matter Physics

Did you / will you submit this LOI to another category?

YES

Additional Information

It can enhance interdisciplinary researches

Primary author: ABDELWAHAB, Anas
