Lisbon Meeting in November

Profiting of the preparation work done for the canceled ARIES 2020 Meeting

Dates: 22-23 November 2021: available for WP Meetings

24 November: ARIES day

25 November (Thursday): IFAST day

26 November: EU projects for accelerators

“From ARIES to IFAST and other instruments: the strategic role of EU programmes in supporting the accelerator community” and foresee sessions on:

- ARIES, with results of JRAs and TA's, meeting of Steering Committee;
- transition from ARIES to IFAST of networks, strategies, other activities;
- IFAST new initiatives, and meeting of Steering Committee;
- presentation of new projects in preparation (EUROlabs, ESPP);
- from ARIES PoC to IFAST Innovation Fund, and modalities to involve industry in our initiatives;
- requests from our “users”: particle physics, nuclear, photon and neutron science, etc.

ARIES
3RD ANNUAL MEETING
20-24 APRIL 2020
Instituto Superior Técnico
Lisbon, Portugal

The ARIES project invites its wide accelerator R&D community to convene in Lisbon, Portugal, in April 2020, to share recent results and to discuss future activities.

PROGRAMME
Monday 20 April – Tuesday 21 April
Work Package Parallel Meetings
Wednesday 22 April – Friday 24 April
Plenary Sessions

ORGANISING COMMITTEE:
Valérie Brunner (CERN)
Ana Luisa Matias (IST)
Cláudia Romão (IST)
Jorge Vieira (IST)
Maurizio Vretenar (CERN)

ARIES has received funding from the European Union's Horizon 2020 Research and Innovation programme (GA No 730871)

Programme committee: ARIES and IFAST Steering Committees

Request from WP3

- “As announced in the I.FAST Steering Committee meeting on June 25th, we would like to regularly update a list of events organized by I.FAST that are open to the participation of European companies, in particular the ones not already engaged in the project.”
- <https://docs.infn.it/share/s/6M3PfOAIry6ZtQ7aZqT7fg>
- Please send me a list of “planned” events that are open to companies and whether they will be open to companies not already involved in IFAST: **date, location, duration**
- Before 12th August
- Note for WP12, not just Task 12.1
