

First LaPMET Workshop

Friday 24 September 2021

New principles and technologies for sensing (Posters) (15:10 - 16:15)

time	[id] title	presenter
15:10	[42] Scalable wax-printing nanoimpregnation method for paper-based sensors and actuators	Mr BRITO-PEREIRA, Ricardo
15:25	[56] Environmentally friendly, biocompatible graphene-based inks for all-printed temperature, deformation, and touch sensors	FRANCO, Miguel
