

## Session Program

25-29 Oct 2021

# Workshop on Advanced Radiation Detector and Instrumentation in Nuclear and Particle Physics (Online)

## *Virtual lab visit*

University of Jammu, Online

# Monday 25 October

15:00

## Virtual lab visit

**Session** | **Location:** University of Jammu, Online | **Convener:** Nayana Majumdar

15:00–15:30

**Sensor Qualification Center (SQC) for Characterizing Silicon Microstrip Detectors, University of Delhi**

**Speaker**

Chakresh Jain

15:30

## Tuesday 26 October

15:00

### Virtual lab visit

**Session** | **Location:** University of Jammu, Online | **Convener:** Supriya Das

15:00–15:30

### Resistive Plate Chamber (RPC) Assembly and Muon Coincidence Set-up Demonstration

**Speaker**

Tanay Dey

15:30

## Wednesday 27 October

15:00

### Virtual lab visit

**Session** | **Location:** University of Jammu, Online | **Convener:** Pradip Kumar Sahu

15:00–15:30

**Gain, energy resolution measurement using GEM detector and coincidence setup demonstration using cosmic ray**

**Speakers**

Sayak Chatterjee, arindam sen

15:30
