

The new physics possibilities with HIE-ISOLDE

Thursday, 9 December 2010 15:10 (30 minutes)

The HIE-ISOLDE project is advancing fastly (see the dedicated website <http://hie-isolde.web.cern.ch/HIE-ISOLDE/>). An overview will be given on the new physics possibilities emerging, mainly focussing on the energy upgrade.

Primary author: HUYSE, Mark L (Instituut voor Kern- en Stralingsfysica)

Presenter: HUYSE, Mark L (Instituut voor Kern- en Stralingsfysica)

Session Classification: HIE-ISOLDE Physics
