## Medium Mass Nuclei

**Session** | **Location:** CERN, 503/1-001 - Council Chamber

09:10–09:40 **Recent results on transfer reactions using the MINIBALL/T-REX set up**

**Speaker**

Thorsten Kroell

09:40–10:00 **Single-particle states in  $^{79}\text{Zn}$  and the  $N=50$  shell gap near  $^{78}\text{Ni}$**

**Speaker**

Dr Riccardo Orlandi

10:00–10:30 **Recent results from the HRIBF**

**Speaker**

Kate Jones

10:30–10:50

**Nuclear structure studies of the neutron-rich rubidium isotopes using Coulomb excitation**

**Speaker**

Mr Christophe Sotty

10:50
