**Responsible for finding locations for annual DIS workshops
and for advising and supporting the hosts each year**

DIS'22 had 381 registered participants!

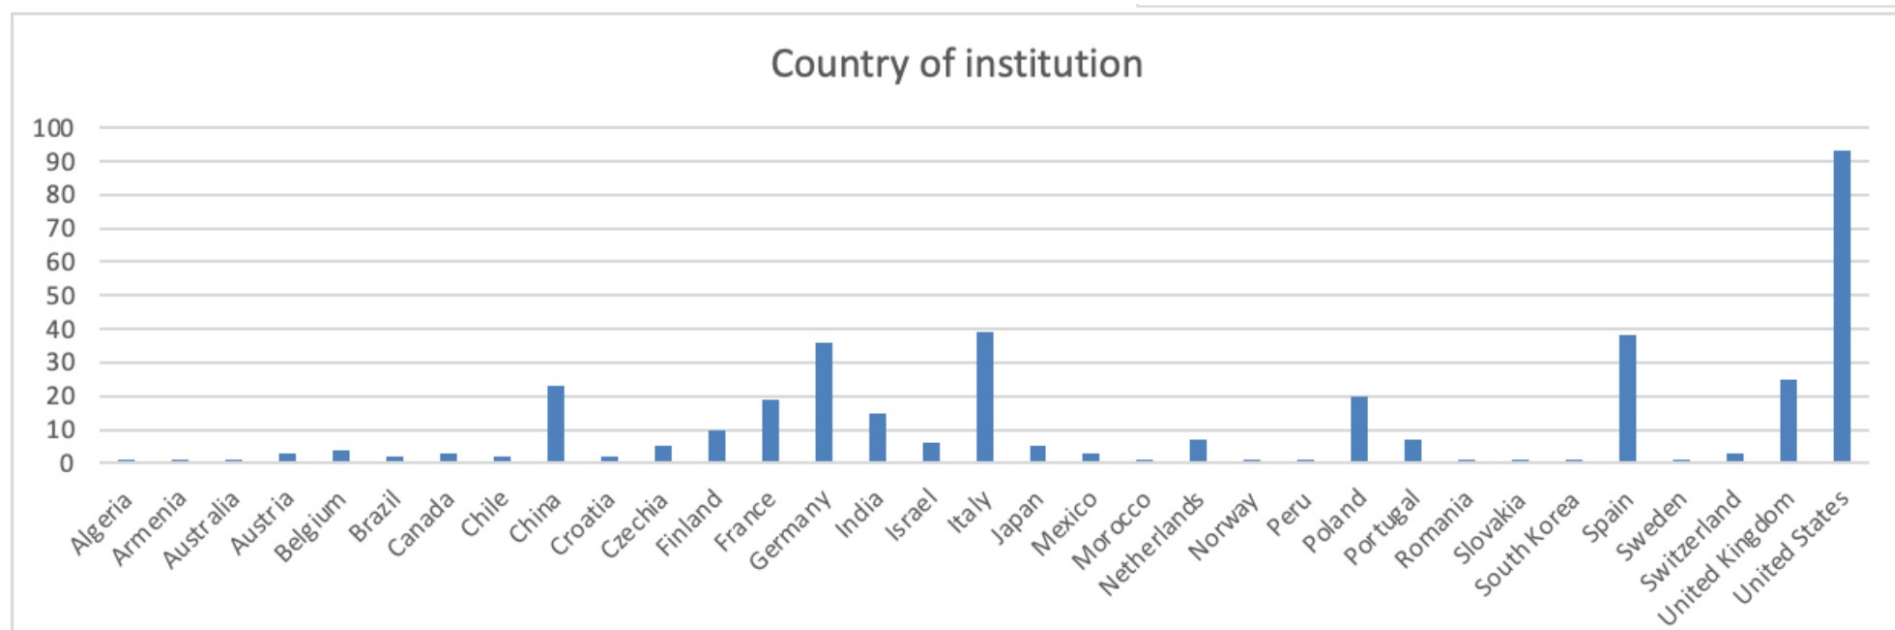

283 in person

... no decrease in
appetite to meet in
person since 2019

... setting a standard
for post-COVID
meetings!

33 different countries represented

- 435 abstracts
- 23 plenary talks
- 301 parallel session talks
- 46 posters

... clearly our field is thriving!
