Compute Accelerator Forum Introduction

2022-09-14

Ben, Graeme, Maria, Michael, Stefan

Compute Accelerator Forum - 14 September 2022

- Welcome to today's Compute Accelerator Forum meeting
- Today we have one presentation
  - SpiNNaker2, neuromorphic computing, Christian Mayr (TU Dresden)
- October 12th meeting
  - Accelerating graph neural networks for jet tagging using FPGAs, Zhiquian Que (Imperial College)
- To receive information about upcoming meetings, please subscribe to
  - compute-accelerator-forum-announce@cern.ch
- As ever **if you would like to present or to propose a topic, please get in touch**
  - compute-accelerator-forum-organizers@cern.ch
