

## **Session Program**

**15 October 2021**

# **ICALEPCS 2021: 2nd Data Science and Machine Learning Workshop**

## ***Overview Session***

Remote

# Friday 15 October

12:10

## Overview Session

**Session** | **Location:** Remote

12:10–12:45

### Machine learning for accelerators: a physicist approach

**Speaker**

Pierre Schnizer

12:45–13:20

### AI/ML Operational challenges at SLAC's accelerators & Collaborating Facilities

**Speaker**

Auralee Linscott Edelen

13:20–13:55

### ML and optimization algorithms for CERN accelerators

**Speaker**

Verena Kain

13:55
