

3rd Forward Physics Facility Meeting

Tuesday, 26 October 2021

Physics of Neutrino Interactions: theory aspects of relevance for the FPF (18:00 - 19:00)

time	[id] title	presenter
18:00	[120] Neutrino interactions at TeV energies and beyond	ROJO, Juan
18:20	[121] What cold nuclear matter effects to expect at very high energy?	DUPRE, Raphael
18:40	[122] Discussion	BALANTEKIN, Baha
